DECOR PANELS

Specifications
Length: 2.6m
Width: 250mm
Depth: 7.5mm

TITAN PANELS® are an elegant system of internal paneling for walls and ceilings. Consisting of a range of beautiful Décor designs and Ceiling panels, the system features tongue and groove joints that are waterproof and do not require grouting.

QUICK AND EASY TO FIT
 Panels feature a robust tongue and groove joint and can be fixed directly to most existing surface's using adhesive, nails/pins, screws or staples. No grouting required.

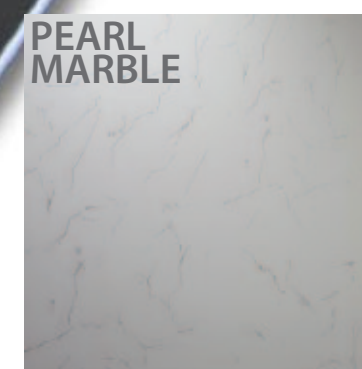

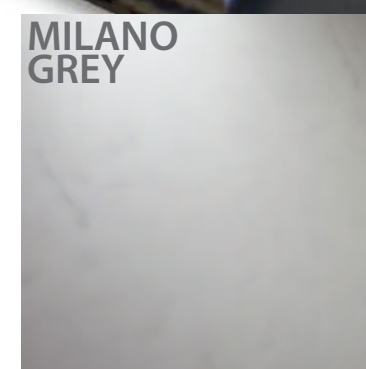

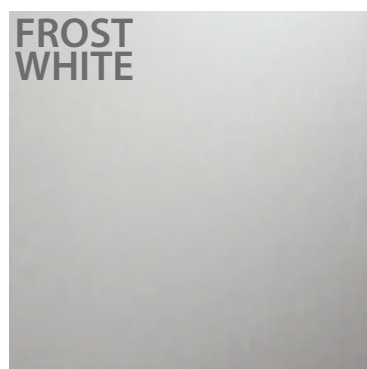

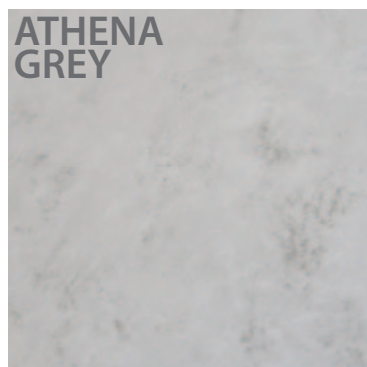

WATER AND DAMP PROOF
 It will not support bacterial or mould growth. TITAN PVC and Aquamax panels are the ideal solution for bathroom walls and ceilings.

MAINTENANCE FREE
 Because of the smooth surface, panels are easily cleaned using simple soap and water. There is no need for specialist cleaning agents.

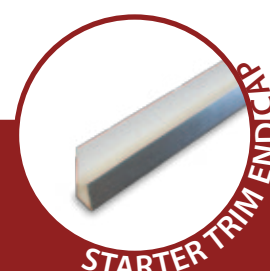

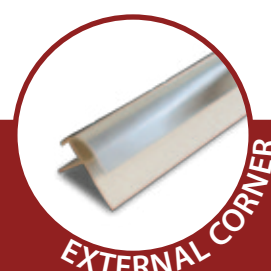

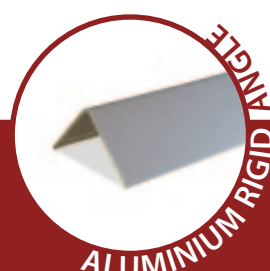

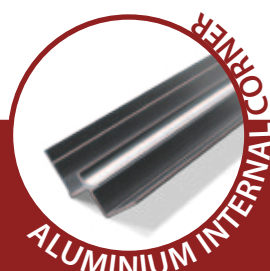

THERMAL AND SOUND INSULATION
 Due to the hollow rigid construction, panels give improved thermal and sound insulation.

QUICK AND EASY TO FIT

Panels feature a robust tongue and groove joint and can be fixed directly to most existing surface's using adhesive, nails/pins, screws or staples. No grouting required.

WATER AND DAMP PROOF

It will not support bacterial or mould growth. TITAN PVC and Aquamax panels are the ideal solution for bathroom walls and ceilings.

MAINTENANCE FREE

Because of the smooth surface, panels are easily cleaned using simple soap and water. There is no need for specialist cleaning agents.

THERMAL AND SOUND INSULATION

Due to the hollow rigid construction, panels give improved thermal and sound insulation.

TITAN
DECORATIVE MATERIALS GROUP

CLASS 1 FIRE RATED

Panels have been independently tested in the UK to BS 476: PART 7:1987 and meet the performance requirements of Class 1. Copies of the full test report and certificate are available for download at www.titan-panels.com

HYGIENIC

Plastic wall cladding surfaces are smooth, easy to clean, mould resistant and easily disinfected. They meet Hygiene Regulations in commercial operations and are suitable for use in hospitals, commercial kitchens, canteens and food preparation areas.

WATERPROOF

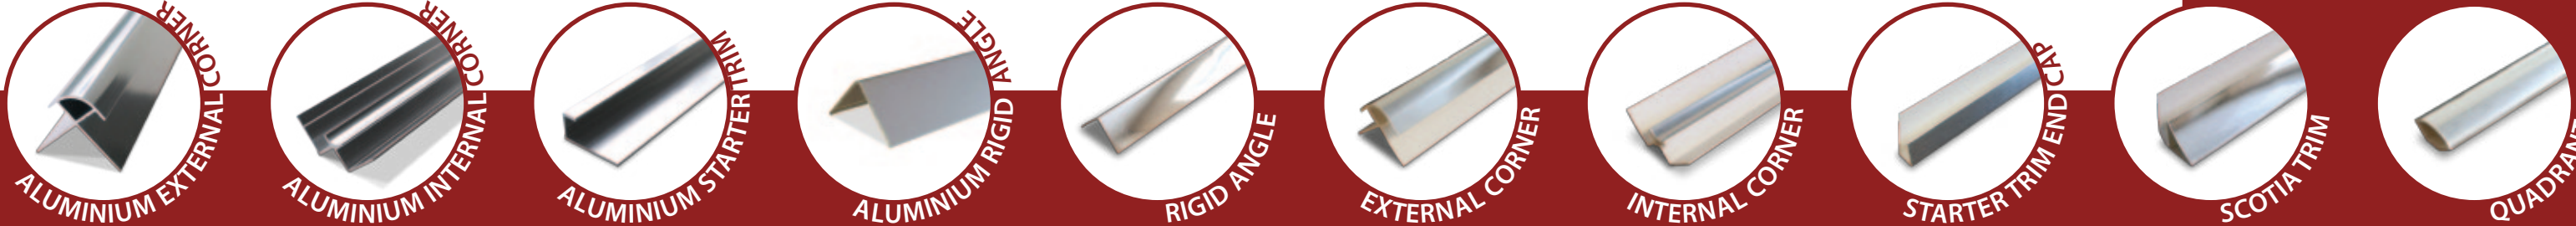

Panels are 100% waterproof, are not affected by steam or water and excel in wet environments.

10 YEAR GUARANTEE

Titan Panels® are for internal use only, when installed and maintained as per our instructions, the product is covered by a 10 year guarantee.

TITAN

Moderno

Our new **MODERNO** Collection is available in Concrete, Stone and Wood designs.

These fabulous matt finished panels offer a strong subtle design alternative for any installation.

The **MODERNO** Collection is produced at 5.5kg sqm offering greater strength, rigidity and impact resistance than lighter constructed panels. Perfect for commercial installation where knocks and scrapes are more likely.
